Regence BlueShield is an Independent Licensee of the Blue Cross and Blue Shield Association

For medically necessary services rendered by a Preferred Plan, participating, or recognized provider, the benefits of this plan will be provided at the percentage of the allowed amount as specified below after the deductible has been met. Unless otherwise specified, all benefits are subject to the annual deductible in addition to any copays and coinsurance.

When you have reached the annual out-of-pocket coinsurance maximum, this plan will provide benefits at 100% of the allowed amount for the remainder of the calendar year for the services of Preferred Plan providers only, unless otherwise specified. Any balances of charges not covered by this plan will be your responsibility to pay.

\*\*\*\*Services and supplies required to treat a medical emergency will be provided at the Preferred Plan payment level of benefits.

**Cost Containment Provisions:** All hospital and skilled nursing facility admissions must be medically necessary. Preadmission approval is required for all inpatient admissions outside the service area if you seek care from providers who have not contracted with a Blue Cross and/or Blue Shield plan, except for emergency services or maternity admissions.

**Emergency Care:** Emergency benefits will be provided at the level specified for a Preferred Plan provider. In the event of a medical emergency, treatment by a provider not normally covered under this plan will be recognized for a 24-hour period or for such additional time as is reasonably required to come under the care of a Preferred Plan provider. Benefits will be based on the recognized provider's actual charge for the service.

**Copay:** There is a per-visit copay for each office call/home visit billed as such by a provider in the office, home, or hospital outpatient department (waived for surgery, for radiation and chemotherapy, for spinal manipulations, or if you are directly admitted to the hospital as an inpatient). Copays do not apply toward the deductible or to the out-of-pocket coinsurance amount.

**Care Outside the Service Area:** All care received outside the service area will be paid the same as in the service area if you use a Preferred Plan or participating provider. Payment will be based on the allowed amount. To receive the highest benefit level, you must receive services from a Preferred Plan provider. If there is no Preferred Plan provider network in an area, benefits will be provided for care received from a participating provider at the level specified for Preferred Plan providers. Benefits will be provided for care received from a recognized provider at the level specified for Preferred Plan providers only, if there is no local Blue Cross and/or Blue Shield participating provider network in a particular area and for medical emergencies. Call 1-800-810-BLUE (2583) for names of Preferred Plan or participating providers with the local Blue Cross and/or Blue Shield plan. When you need health care outside of the United States or its territories, call the BlueCard Worldwide Service Center at 1-800-810-BLUE or call collect at 1-804-673-1177. If you are admitted to a hospital while traveling outside the service area, you must contact the Company within 24 hours to receive full plan benefits. If you meet all requirements, inpatient benefits will be provided at the level specified for Preferred Plan providers for like services and supplies.

**Waiting Periods:** No benefits are provided for treatment relating to a transplant until you have been covered under this or a prior plan with the Company (Regence BlueShield) for 12 consecutive months. No benefits will be provided for preexisting conditions, including maternity, until you have been covered under this plan for nine consecutive months, unless you were continuously covered for at least nine months under the immediately preceding creditable plan.

This is a brief summary of benefits; it is not a certificate of coverage. For full coverage provisions, including a description of waiting periods, limitations, and exclusions, refer to the plan contract. Your feedback is important to us.
